

# holiday EXTRAVAGANZA

## Wishlist Fulfillment

Thank you for helping us provide joy - and gifts! - to children experiencing foster care this holiday season by supporting one or more wishlist(s)!

- All gifts are due to the Atlanta Angels office, unwrapped, by **Monday, December 2** at the latest.
- Please stick to the **\$100 budget per child** to ensure equity.
- Please stick to the items on the wishlist - we want to honor each child's request! If you cannot find an item, you may substitute it for a gift card for that item's value.
- If providing gift cards, **please include receipt and value of gift card!** It's difficult for us to distribute them when we don't know how much they're for, and we've had issues in the past of gift cards have zero value when the family receives them.
- Please include the attached **in-kind donation form (or receipt(s))** so that we can record your donation!
- If you find that you don't have the time to shop for the items, you may choose to sponsor the wishlist items instead using [this link](#) with a donation of \$100 per wishlist/child, and we will do the shopping for you! We simply ask that you **let us know and submit the donation by November 29** so that we have time to fulfill the items.
